

# You're a recent Aesthetic graduate. So, what's next?

At Mahogany Salon and Spa, we understand the last 2 years have been challenging as an aesthetic student, due to limitations caused by Covid-19 restrictions.

**If you have graduated and need more hands-on experience and mentorship in the aesthetics field, we have an exciting opportunity for you.**

**We are offering a 10 week PAID PROGRAM with extensive practical experience to better prepare you for your career in aesthetics with Mahogany.**

**Join our team and perfect your skills!**

Our mentorship program will include Educators and Guest Speakers and we will cover all fundamental aesthetic services such as: pedicures, manicures, waxing, lash lift and tint, sugaring, makeup, massage, body treatments and facials.

If you are interested in joining our professional, dynamic team and want to be part of this unique Post Graduate Mentorship Program, we would love to hear from you.

We will be conducting interviews on March 31st and April 1st 2022. The program will begin April 19th through to June 30, 2022. Limited spaces available.
